Woodland Park Apartments is a luxurious gated community located in Herndon, Virginia. The classically detailed complex consists of 373 multifamily units in four-story garden apartment buildings and three-story town homes. There are several different one, two and three bedroom unit layouts, including two bedroom split master designs.

Distinctive unit features include balconies and patios, high ceilings, windows with transoms, spacious living and dining rooms, garden bathtubs, and laundry/storage rooms. Top floors feature vaulted ceilings and lofts, while some units have ground floor private garages and storage rooms.
